

Adding a Photo From Your Web Site to a Notice

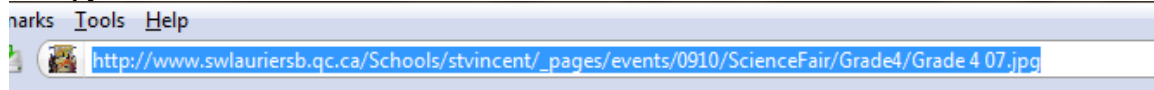

You can add a photo at the top or bottom of the notice. Here is how to proceed:

1. Go to the web site and select the picture you want from you web site

2. Right click and select view image.

3. copy the link

4. Paste the link into the Big Picture URL, and select whether you want the picture above or below the text.

Big Picture URL

23.

The display size will be reduced if the picture is too large for the notice display area.

24. Location

99. External Page
