Please **LOGOUT** at the end of each session if you are using a **public** computer.
If you always use the same computer, and cookies are allowed, you will remain logged in until you logout.
Cookies must be enabled and Javascript must be allowed.
We sometimes have to reset the passwords for security reasons;
if that happens just ask to have your **credentials emailed to you**.

You will remain logged in until you logout or you delete your browser cookies.
Do not remain logged into an account.
If you have trouble logging in, try deleting your browser cookies.

If you have not logged in before, click on Email me my credentials, or check the date of the last password reset.

You can go to <http://www.schoolqc.ca/pages/help/> and look at the more detailed Login Procedures.

You can be logged in for a maximum of 20 minutes. After that time you will have to login again. You will NOT be logged out automatically. Just save your work and you will then see the login screen again.

After you have successfully logged in you will be presented with several functions. The number of functions you see will depend on the access rights you have been granted.
